**Contact: Ft Wayne Oval Track Supply for Tire Prices**

**LM & MOD Class will run F70**  
**SS Class will run Treaded Straight 800**  
**FWD Class will run 790/795**

## **2023 Fab 4 Tire Inventory Guidelines.**

\*Opening Night Teams start w/6 Tire Inventory.. Each week Drivers will be permitted to purchase 1 New Tire from Ft Wayne Oval Track Supply at AMS. After the 1st 2 weeks of Racing, a Drivers Tire Inventory will go to 8. Each week Drivers need to update their Tire Inventory card with any changes.

\*Drivers are Required to Run Feature on their marked Tires from Qualifying. Any issue that arises with a Driver needing to change out a Tire would have to be approved by an AMS Tech Official.

\*It was brought to the attention of AMS Management by our Fab 4 Class Reps that Tire Inventory was not being Responsibly Managed in 2022, so in 2023 Random Tire Inventory Checks will be done @ anytime, and from any AMS Official.

\*Any New Drivers may start with fresh 6 Tire Inventory on their 1st visit.

\*Note.. The 2023 Tire Inventory Management is subject to change dependent upon Tire Accessibility and Availability from Hoosier. If Tire Shortages becomes an issue, AMS will meet with Fab 4 Driver Reps to re-evaluate.

*Any questions can be emailed to [raceangolamotorspeedway@gmail.com](mailto:raceangolamotorspeedway@gmail.com)  
or by sending a message for AMS to contact you.*

**Thank You for Supporting AMS**
